

# Capability Statement

***“OUR VESSELS SERVICE WORLDWIDE OPERATIONS”***

## Company Profile

Australia Marine Services Pty Ltd, also known as 'A.M.S. Tugs & Barges', was established in 2004 with our headquarter office located in Perth, Western Australia. With historical ties from Singapore, we offer a broad range of marine related services to the booming coastal marine / offshore industry in Australia as well as on a world-wide level.

A.M.S. Tugs & Barges, being an accredited AS/NZS ISO 9001:2008 company, strives for continued service excellence in the provision of various tugboats and barges. We own/operate a growing fleet of highly specialised and quality marine vessels within the Oceania region and as well as on an international level. To date, we have several regional operations offices located in Asia, not only to aid with the construction process of our dedicated Australian compliant marine vessels but to also service any other operational requirements in the region.

Due to A.M.S. Tugs & Barges' continued long term relationship with several ship building associates around the Asian and Oceania region, our organisation is able to supply quality vessels that are not only IACS approved but are

also fully compliant to all Australian standards and national regulations. Depending on our client's lead time to marine project requirements, we also have the ability to construct / modify our marine vessels to meet the specific requirements of our clients.

Currently, A.M.S. Tugs & Barges owns and operates a modern fleet of vessels comprising of Harbour / Ocean-going Workboats, Offshore Support / Supply Vessels, Anchor Handling Tugboats/Supply (AHT/S), Deck Cargo Ballast Tank Barges and Construction Spud Barges with an average vessel age of 18 months. We have established a good track record over our operational years and our clientele includes MNC oil and gas companies, logistics / material handling companies as well as locally established companies that are involved in marine related construction, offshore support, mining support and coastal dredging works.

We at A.M.S. Tugs & Barges are committed to the requirements of the AS/NZS ISO 9001:2008 standard and we endeavour to provide our esteemed clients a level of quality service that are unparalleled to other vessel providers.

# Capability Information

## Main Business Activities

A.M.S. Tugs & Barges' focus has been in the Australasian region and over the years has maintained a prominent position as a leading provider of a wide variety of marine related services. The company is not only capable of servicing the Australasian clients but, over the years, has been able to provide their services to an international client base. A.M.S. Tugs & Barges has successfully participated in various projects involving coastal construction, offshore oil and gas transportation, offshore exploration and other marine related projects across the Australasian region.

A.M.S. Tugs & Barges strives to provide the highest level of service and management standards that often exceeds our clientele's expectations. With our commitment towards our AS/NZS ISO 9001:2008 Quality Management System, we have the capability to tailor a total package for our esteemed clients which will provide for a reliable, cost-efficient and quality marine solution.

## Company Philosophy

“To provide all clients with the most comprehensive services to meet all their marine support and logistic needs under the most equitable terms. We guarantee prompt, reliable and efficient services at all times.”

***“OUR VESSELS SERVICES WORLDWIDE OPERATIONS”***

## Specialised Capabilities

With A.M.S. Tugs & Barges having a decade's worth of operational excellence within the industry; we have continuously strengthened our ties with various shipyards in the Asian region.

Over the years, this has allowed us to construct and supply quality marine vessels that meets all applicable Australian national standards. We have a team of experienced personnel capable of supervising and managing the various stages of ship-building; ensuring that our vessels within our fleet not only attains IACS standards but also complies with all local Australian regulations.

A.M.S. Tugs & Barges pride ourselves in working with our clients at professional level; not against; at all times. We have the resources in ensuring we deliver quality vessels that divides us from similar vessel providers in the industry.

Our drive to continuously improve has also allowed for various R&D opportunities to arise over the years. Through various channels including our client's feedback, we have been able to develop class-leading vessels such as our high spec'ed deck cargo barges that has the deck-loading capability to withstand up to 25 tonnes per square meter. This means our high spec'ed barges can be utilised for most, if not all offshore related heavy logistic and material handling requirements or utilised as a heavy crane barge. To date, A.M.S. Tugs & Barges is still currently one of the few, if not the only Australian company with barges of this capability in the market.

Where feasible, we are also able to carry out modifications to new building vessel project that can meet the specific requirements of our clients.

# Track Record

In line with A.M.S. Tugs & Barges' corporate philosophy; the company has guaranteed prompt, reliable and efficient services to all its esteemed clients. A.M.S. affirms that it is this philosophy that has allowed the company to succeed and be involved in some of Australia's landmark offshore projects. Below are some of the landmark projects A.M.S. has been a part of and offered its services to; both past and current.

## **Bechtel Australia APLNG Project**

Gladstone, QLD

Provision of Construction Barges

## **Bechtel Australia GLNG / QCLNG Project**

Gladstone, QLD

Provision of Specialised Ballast Tank Crane/ Piling Barges & Support Tugs

## **BHP Billiton Rapid Growth Project 5**

Pilbara Region, WA

Provision of Ballast Tank Barges

## **Brisbane City Council Riverwalk Replacement Project**

Brisbane, QLD

Provision of Specialised Ballast Tank Crane / Piling Spud Barge

## **Chevron Gorgon Project**

Pilbara Region, WA

Provision of Ballast Tank Barges

## **Chevron Wheatstone LNG Project**

Onslow, WA

Provision of Shallow Draft Workboat

## Ship Building

A.M.S. Tugs & Barges is pleased to offer ship-building services; including design, fabrication, construction and delivery of various type of tugboats and barges through our associated shipyards. A.M.S. Tugs & Barges also has the capability of constructing other specialised vessels such as Tankers, General Cargo Ships, Self-propelled Landing Crafts, Accommodation Work Barges, Anchor Handling Tugs and Supply Boats.

The following lists of vessel can be constructed and delivered within 8 to 48 weeks; depending on various requirements, specification and the lead time to the machineries' delivery.

### TUGS

#### TUGBOATS – Anchor Handling Tug/Supply – Z-Peller Harbour Tug

From 500 BHP up to 6000 BHP rated power and either single or twin screw Tugs – designed for local or ocean going services. Principal dimensions such as overall length ranges from 22m up to 70m, and have nautical endurances ranging from 12 - 38 days. Our tugs are designed to suit CUMMINS USA, CATERPILLAR, YANMAR, NIIGATA, and other quality marine diesel engines.

SIZE OF TUGS	CLASS	MAIN ENGINE
500 BHP (2 x 250HP)	GL/ABS/BV	CUMMINS/CATERPILLAR/YANMAR/NIIGATA
800 BHP (2 x 400HP)	GL/ABS/BV	CUMMINS/CATERPILLAR/YANMAR/NIIGATA
1000 BHP (2 x 500HP)	GL/ABS/BV	CUMMINS/CATERPILLAR/YANMAR/NIIGATA
1200 BHP (2 x 600HP)	GL/ABS/BV	CUMMINS/CATERPILLAR/YANMAR/NIIGATA
1600 BHP (2 x 800HP)	GL/ABS/BV	CUMMINS/CATERPILLAR/YANMAR/NIIGATA
1800 BHP (2 x 900HP)	GL/ABS/BV	CUMMINS/CATERPILLAR/YANMAR/NIIGATA
2000 BHP (2 x 1000HP)	GL/ABS/BV	CUMMINS/CATERPILLAR/YANMAR/NIIGATA
2400 BHP (2 x 1200HP)	GL/ABS/BV	CUMMINS/CATERPILLAR/YANMAR/NIIGATA
3200 BHP (2 x 1600HP)	GL/ABS/BV	CUMMINS/CATERPILLAR/YANMAR/NIIGATA
4000 BHP (2 x 2000HP)	GL/ABS/BV	CUMMINS/CATERPILLAR/YANMAR/NIIGATA

All A.M.S. Tugs & Barges' designed and constructed vessels are carried out by a team of experienced and qualified personnel. This team will constantly maintain contact with the respective client/clients' representative to meet any specific requirements that may arise. Every new ship-building project that we undertake will meet the respective IACS classification rules and standards, and we continuously strive to maintain a good relationship and rapport with societies such as the American Bureau of Shipping (A.B.S.), Bureau Veritas (B.V.) and Germanischer Lloyd (G.L.).

We have a proven track record for undertaking new-building projects; with the ability to deliver a required vessel in line with the client's delivery schedule. This is further carried out without sacrificing on construction quality and the overall performance of any new-built vessel.

# Management Systems

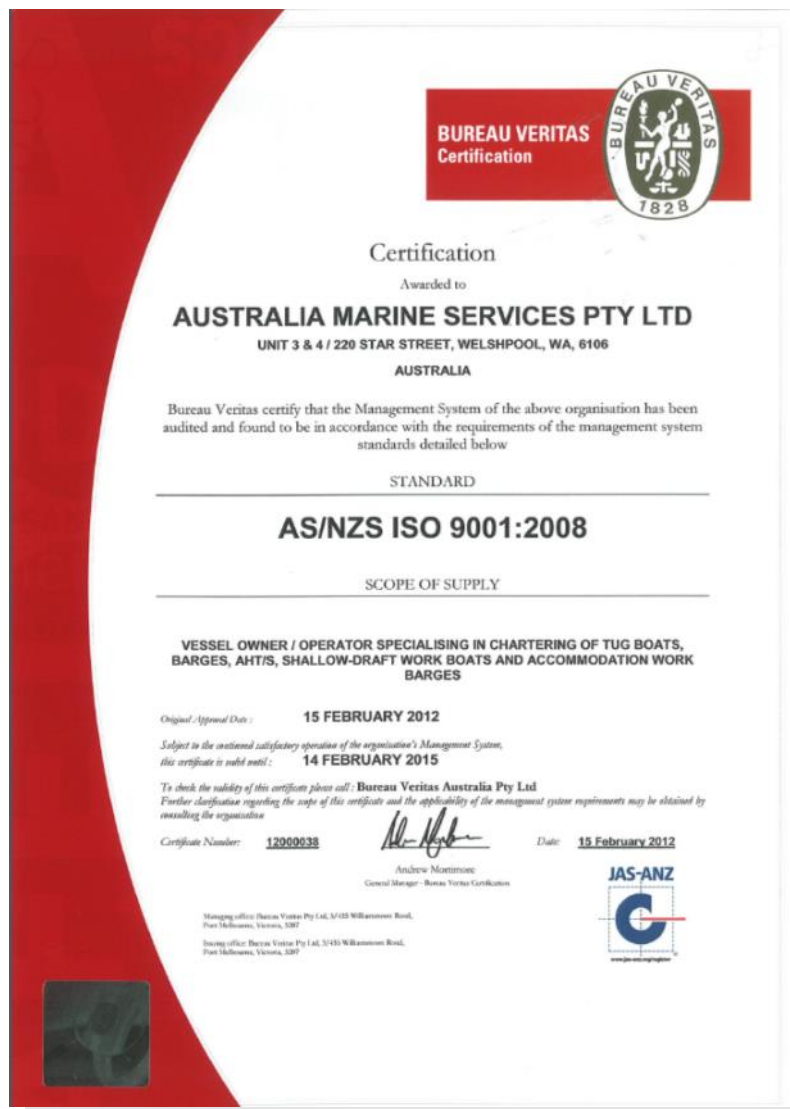

## Company Commitment

A.M.S. Tugs & Barges is an AS/NZS ISO 9001:2008 Quality Accredited Company that is fully committed in providing high standards of service to all esteemed clients involved in the marine construction & offshore industry. A.M.S. Tugs & Barges has forged a strong relationship over the years with numerous local/international marine affiliated associates in the industry in order to offer a more comprehensive proposal when required; at the benefit of our clients. A.M.S. Tugs & Barges endeavours to provide quality assurance and efficient marine solution packages tailored to the specific operational requirements of our clients.

A.M.S. Tugs & Barges also places the highest priority on safety for all employees, suppliers and contractors. This commitment has allowed for A.M.S. Tugs & Barges' operations, both onshore and offshore, to be successful and injury-free to date. Our 'Health, Safety & Environmental Policy' and 'Fitness for Work Policy' incorporates such values and allows this commitment to remain a success in all current and future operations.

## Quality Management System

# Hazard Management

A.M.S. Tugs & Barges has established and implemented documented Safety Management System (SMS) as the primary means of ensuring safe operations and to mitigate the risk of personal injury and/or property damage resulting from use of equipment / vessels. A copy of the SMS will be accessible on A.M.S. Tugs & Barges' vessels and will provide a comprehensive and integrated management system to minimise risk.

# Other In-House Policies

## Conduct & Anti-Harassment Policy

 A.M.S. Tugs & Barges

Australia Marine Services	<b>CONDUCT POLICY</b>			
Policy QM-885	Authorised by: CEO	Date of Issue: 01 / 07 / 09	Rev: 1.3 01/05/13	Page 1 of 1

**CONDUCT & ANTI-HARASSMENT POLICY**

AUSTRALIA MARINE SERVICES Pty Ltd (A.M.S. Tugs & Barges) places high priority to the provision of equal employment opportunities, anti-discrimination and anti-harassment in all our operations.

A.M.S. Tugs & Barges shall comply with all relevant legislations to avoid any kind of discrimination and harassment at our workplace and operational sites by promoting equal opportunity for all personnel.

We are dedicated to prevent any form of unfair treatment or disadvantages relating to race, sex, age, religious beliefs, appearance or disabilities of a certain individual or group.

Our conduct policy strives to achieve this by:-

- Consulting with our managerial work force in a pro-active manner
- Recognition of performance excellence by various individuals
- Promoting good mutual support and benefits for all employees
- Promoting harmony, good communication skills and respect towards all parties
- Maintaining a good working relationship, based on reliability and trust, when communicating with our stakeholders

All A.M.S. Tugs & Barges employees and contractors are required, at all times, to be:-

- Ethical, responsible, sincere and diligent in their respective work operations
- To state and comply with the respective law (local & overseas) and this conduct policy; and
- Act in the best interest of A.M.S. Tugs & Barges

This policy will apply to all workplaces and seek all relevant individual/group to support the above, whilst upholding a balance on employee rights.

## Drugs, Alcohol & Gambling Policy

**Australia Marine Services Pty Ltd (A.M.S. Tugs & Barges)**  
 Owner / Operator of Barges & Offshore Vessels  
 A.M.S. Tugs & Barges  
 A.M.S. Tugs & Barges

Australia Marine Services	<b>DRUGS, ALCOHOL AND GAMBLING POLICY</b>			
Policy QM-885	Authorised by: CEO	Date of Issue: 01 / 07 / 09	Rev: 1.5 28/05/13	Page 1 of 1

**DRUGS, ALCOHOL & GAMBLING POLICY**

Australia Marine Services Pty Ltd (A.M.S. Tugs & Barges) Drugs, Alcohol and Gambling Policy apply to all personnel who may sail on or visit the Company's vessels.

**DRUGS**

A.M.S. Tugs & Barges maintain a strict ZERO TOLERANCE against the use of both illicit and/or prescribed medication not for their intended usage. The possession, distribution or sale of such illicit and/or prescribed controlled drugs ashore or onboard the ship by shore staff/crew members on leave is strictly prohibited and will not be tolerated under any circumstances.

The Company will not employ any person who are users of or have a recent record of the use of illegal drugs or have abused the use of prescribed drugs. Any employee found in contravention of the Company's drug policy will be instantly dismissed and handed over to the appropriate authorities for prosecution.

**ALCOHOL**

The vessels are employed in hazardous environments and primary concern is the safety of all personnel, the vessel and the protection of the environment.

For this reason, on-board all vessels, a strict ZERO TOLERANCE to alcohol consumption by personnel and visitors is enforced. Alcohol is strictly not allowed aboard any vessel under any circumstances and any employee found in contravention of this policy will undergo disciplinary action.

**GAMBLING**

To ensure a professional working environment on-board our vessels, all personnel must co-operate fully with other personnel. Gambling more often causes personnel disputes to arise on-board, thus threatening the efficiency of the vessel's operation. It is for this reason that gambling in any form is forbidden.

**THE COMPANY HAS THE RIGHT AND WILL UNDERTAKE DISCIPLINARY ACTIONS AGAINST ANYONE CONTRAVENING THE ABOVE REQUIREMENTS**

Policy QM-885	Authorised by: CEO	Date of Issue: 01 / 07 / 09	Rev: 1.4 01/05/13	Page 1 of 1

**HEALTH, SAFETY AND ENVIRONMENTAL PROTECTION POLICY**

AUSTRALIA MARINE SERVICES Pty Ltd (A.M.S. Tugs & Barges) places the highest priority on Safety & Environmental Protection. The Company's personnel at all levels, both ashore and on-board the ships shall be fully committed, competent and motivated to fulfill the objectives of:-

- Providing safe practices in ship operation and a safe working environment
- Establishing safeguards against all identified risks
- Continuously improving their safety management skills of shore and shipboard personnel, including preparing for emergencies related to both safety and environmental protection

To meet this requirement, A.M.S. Tugs & Barges has obtained the IMO's International Safety Management (ISM) Code Requirement, to ensure that the Company:-

- Will comply with mandatory rules & regulations
- Takes into consideration all applicable codes, guidelines and standards recommended by the IMO, administrations, classification societies and maritime industry organizations

Safety is a concern to all and has no rank barriers. To this reason, the management is committed to making all personnel from safety conscious and encourages personnel at all levels to become pro-actively involved in identifying possible hazards, implementing preventive measures to overcome hazards, implementing corrective action's and constantly monitoring all facets of their working environment to ensure that safety conditions prevail.

Learning is a never ending journey to the state of excellence and effective training is fundamental to the Company's business and its safety culture. As our standards improve, new goals and targets will be set, to which all personnel shall strive to attain.

Policy QM-885	Authorised by: CEO	Date of Issue: 01 / 07 / 09	Rev: 1.6 01/05/13	Page 1 of 1

**INDUSTRIAL RELATIONS & QUALITY POLICY**

AUSTRALIA MARINE SERVICES Pty Ltd (A.M.S. Tugs & Barges) endeavours to maintain good industrial relationship with its various suppliers, contractors and clients.

A.M.S. Tugs & Barges is also committed to the requirements of the ISO 9001:2008 quality management standard; to establish measurable objectives; and to continually improve the effectiveness of its operations against the standard.

The staff at A.M.S. Tugs & Barges endeavours to provide a high standard of service to all our clients; to meet their expectations and requirements; and to ensure that such services are delivered safe and functional.

Our objective is to forge a strong relationship with the various offshore marine company clients, maintenance contractors and suppliers so that our company policies can be enforced at all times.

We strive to satisfy all of our esteemed clients and maintain good industrial relations, providing to such parties quality & reliable marine packages to make the operation a success.

A.M.S. Tugs & Barges aim to maintain such services through:-

- Quality machinery and well-maintained marine vessels
- Annual certification and testing of various machinery onboard our vessels
- Prompt & effective communication with clients & relevant parties
- Auditing of all operational procedures & methodology on a half yearly basis
- Annual reviews to our various management systems (i.e. ISO 9001:2008 QMS) in place

The management at A.M.S. Tugs & Barges makes every effort to find new ways to increase client satisfaction and to provide a quality approach by adopting the best industrial practices.

Australia Marine Services	<b>FITNESS FOR WORK POLICY</b>			
Policy QM-885	Authorised by: CEO	Date of Issue: 01 / 09 / 11	Rev: 1.2 01/05/13	Page 1 of 1

**FITNESS FOR WORK POLICY**

The Assessment on Fitness for Work (FFW) is a vital part of managing risks within a working environment.

Australia Marine Services Pty Ltd (A.M.S. Tugs & Barges) strives to ensure that the relevant personnel must be in a state (physical, mental & emotional) which allows them to perform their assigned duties effectively and to ensure that does not jeopardise one or other's safety & health.

This policy applies to all A.M.S. Tugs & Barges employees and further extended to all contractors, clients and visitors to our facilities, both ashore and offshore.

Some of the major factors that can impair an individual's FFW can be highlighted as follows:-

- Medical Condition
- Stress Factors
- Alcohol & Drug Use
- Mental & Physical Fatigue

A.M.S. Tugs & Barges shall implement the following strategies to address this policy's objective:-

- FFW assessments shall be conducted internally prior to commencement of employment. Pre-Employment Medical Assessments maybe conducted on an individual at the Management's discretion
- Periodic & random assessments by Management/Supervisor shall be conducted to ensure that all employees are not impaired through adverse effects of the major factors highlighted above
- Provision of FFW education to all employees so that they are aware of the signs of FFW and to ensure that the right attitude and skills are engaged to achieve one's and others' FFW
- Teamwork minimizing competition to implement similar policies to ensure that their employees are prevented with FFW is not

This policy should be applied in conjunction with A.M.S. Tugs & Barges' other policy statements and other legislative requirements/standards.

All employees & external personnel have a Duty of Care to prevent themselves FFW in compliance with local Occupational Health & Safety legislations. Failure to comply with this policy will result in a breach of contract.

Policy QM-885	Authorised by: CEO	Date of Issue: 01 / 09 / 11	Rev: 1.2 01/05/13	Page 1 of 1

**NON-SMOKING POLICY**

AUSTRALIA MARINE SERVICES Pty Ltd (A.M.S. Tugs & Barges) respects the rights of individuals to smoke when they desire.

One must also respect that A.M.S. Tugs & Barges is required to have a legal obligation in the provision of a safe & healthy workplace.

As such, all personnel, contractors and visitors to both our ashore and offshore facilities shall comply with the principle of a smoke free environment.

Smoking is strictly prohibited in all internal areas of our workplaces, both ashore & offshore; and any other areas and/or situations considered being hazardous.

A.M.S. Tugs & Barges shall identify areas that have been marked as a 'designated smoking area' at all work sites, ashore & offshore; and all relevant personnel shall be made aware of such areas. When onboard a marine vessel, the vessel Master/A.M.S. Tugs & Barges personnel shall control the designated smoking area.

The objective of this policy is to assist in the provision of a Safe & Healthy Working Environment along with protecting the health and the well-being of all relevant personnel. In no such way does this policy impinge on an individual's rights to choose.
